

Help save our water, rivers and fish!

Your contribution will support River Partners as we find solutions for our water management conflicts through **expanding floodways** through setback levees and easements, planting filter strips of vegetation to keep our **rivers clean**, provide valuable **habitat for wildlife**, and establish thousands of acres of forests which **sequester carbon** and reduce the impacts of greenhouse gases.

Contact us to design a planned gift that furthers river conservation in your community:

info@riverpartners.org
530.894.5401

Please mail your tax-deductible contribution to:

River Partners
580 Vallombrosa Ave.
Chico CA 95926

Your contribution to River Partners would help us restore rivers in communities like Grayson, Chula Vista, Hamilton City, or your community.

Become a supporter of River Partners

I would like to become a River Partner

- Oak Supporter: \$ 1,000/year
- Sycamore Supporter: \$ 500/year
- Cottonwood Supporter: \$ 200/year
- Willow Supporter: \$ 100/year
- Other donation: \$ _____
