CHICO, CA –March 7, 2008 –River Partners will hold its 10th Anniversary Dinner and Silent Auction on Friday, April 11, 2008 at the Sierra Nevada Big Room in Chico. Starting at 6pm, the evening will feature live music from Sacramento band, “The Garcia Brothers,” and Chico musical trio, “The Blue Hippies,” as well as an elegant dinner, hors d’oeuvres, and a silent auction. Admission is \$65 per person and reservation may be made by contacting River Partners at (530) 894-5401 ext 22, or visiting www.RiverPartners.org.

River Partners’ Annual Dinner is a tradition that is growing into a community event, thanks to the support of our sponsors: Staff Resources, Inc., Inside Out Magazine and the Upstate Business Journal. In addition to raising money to support environmental restoration projects, the special event hopes to promote awareness of River Partners’ role in increasing public lands and river land habitat in the Central Valley.

“Our 10th Anniversary Dinner is just the beginning of a year long celebration,” says Barney Flynn, co-founder and board member of River Partners. “Throughout the spring and summer, we hope to invite the public to a series of river related activities to highlight our work and increase appreciation of our natural resources.”

River Partners, a nonprofit organization, specializes in river habitat restoration. Its mission is to create wildlife habitat for the benefit of people and the environment. Since 1998 the organization has initiated restoration on over 6,000 acres along the major rivers of California. ***In 2008, River Partners will plant its one millionth tree.***
